Newlane B.A. Liberal Arts: Business Administration Degree Plan: Transfer Credit Map

Bachelor of Arts in Liberal Arts: Business Administration Specialization at Newlane University, with UPI Study courses

About this degree plan.
UPI Study made this plan; Newlane did not provide, review or approve it. Students ask us for plans like this all the time, so we built it ourselves from Newlane's published catalog and the course equivalencies in its signed agreement with UPI Study, as carefully as we can. Catalogs and transfer rules change, and Newlane alone decides what counts toward your degree. Please check every line of this plan and sheet with your Newlane advisor before you enroll or pay. UPI Study takes no responsibility for decisions made from this plan; it is a planning tool to help you.

90 of the 120 credits can come from UPI Study courses under the UPI Study and Newlane agreement; 30 are left to take at Newlane. Newlane may ask you to earn its associate degree first (then 78).

How to read the table

"UPI suggests trying ..." is a course to try, not an official equivalency, and is never counted. "Ask your advisor if UPI's ... could count" names courses the advisor may place here. The sections come fullest first; inside each one the order is Newlane's own.
