

SNHU A.A. Liberal Arts Degree Plan: Transfer Credit Map

Associate of Arts in Liberal Arts at Southern New Hampshire University, with UPI Study courses

About this degree plan.

UPI Study made this plan; SNHU did not provide, review or approve it. Students ask us for plans like this all the time, so we built it ourselves from SNHU's published catalog and its posted course equivalencies, as carefully as we can. Catalogs and transfer rules change, and SNHU alone decides what counts toward your degree. Please check every line of this plan and sheet with your SNHU advisor before you enroll or pay. UPI Study takes no responsibility for decisions made from this plan; it is a planning tool to help you.

24 of the 60 credits can come from UPI Study courses by SNHU's own posted equivalencies; 36 are left to take at SNHU.

How to read the table

"UPI suggests trying ..." is a course to try, not an official equivalency, and is never counted. "Ask your advisor if UPI's ... could count" names courses the advisor may place here. The sections come fullest first; inside each one the order is SNHU's own.

Made by UPI Study, not by SNHU. Check every line with your SNHU advisor before you enroll. Southern New Hampshire University is not a UPI Study partner; what each course counts as comes from Southern New Hampshire University's own posted evaluations of ACE- and NCCRS-recommended courses. A suggested course is one to try, not an official equivalency, and is never counted. ACE and NCCRS have over 2,100 cooperating colleges that will consider accepting credits; the final decision is with the universities.
