

UoPeople B.A. General Studies Degree Plan: Transfer Credit Map

Bachelor of Arts in General Studies (BA-GS) at University of the People, with UPI Study courses

About this degree plan.

UPI Study made this plan; UoPeople did not provide, review or approve it. Students ask us for plans like this all the time, so we built it ourselves from UoPeople's published catalog and the equivalency chart UoPeople and UPI Study keep, as carefully as we can. Catalogs and transfer rules change, and UoPeople alone decides what counts toward your degree. Please check every line of this plan and sheet with your UoPeople advisor before you enroll or pay. UPI Study takes no responsibility for decisions made from this plan; it is a planning tool to help you.

90 of the 120 credits can come from UPI Study courses on the equivalency chart UoPeople and UPI Study keep; 30 are left to take at UoPeople. 21 of these credits are pending UoPeople's confirmation (marked on their rows).

One square per credit, in the colours of the status column; every three squares are one 3-credit course. Grey squares are taken at UoPeople. Sections are ordered fullest first; inside a section the order is UoPeople's own.

How to read the table

"UPI suggests trying ..." is a course to try, not an official equivalency, and is never counted. "Ask your advisor if UPI's ... could count" names courses the advisor may place here. The sections come fullest first; inside each one the order is UoPeople's own.

Covered the UPI Study course on the row fills this requirement

Ask your advisor a UPI Study course may fit, but UoPeople has not confirmed it for this row, so it is not counted

UPI suggests trying a UPI Study course on the subject: one to try, not an official equivalency, never counted

Take this at UoPeople UoPeople itself says this cannot be transferred in

Ask your advisor about this no official equivalency and nothing to suggest yet; nothing here is counted

Made by UPI Study, not by UoPeople. Check every line with your UoPeople advisor before you enroll. What each UPI Study course counts as comes from the equivalency chart University of the People and UPI Study keep; no signed agreement document is on file, and the chart's newer proposals, counted here, are marked "Pending UoPeople's confirmation". A suggested course is one to try, not an official equivalency, and is never counted. ACE and NCCRS have over 2,100 cooperating colleges that will consider accepting credits; the final decision is with the universities.
